Updates on the Directors
28 de agosto de 2024

The Board of Directors, in its session today, approved the reorganization of the commercial teams within the Vice Presidencies of Client Solutions and Network Management, which will no longer be part of BBVA Colombia's organizational structure. In their place, two Specialized Vice Presidencies have been created: Retail Banking and Corporate & Government Banking, which will be led by:

The Vice Presidency of Retail Banking will be led by **Miguel Ángel Charria Liévano** (formerly Vice President of Network Management).

Professional in Finance and Foreign Trade from “Universidad Sergio Arboleda”, he is specialized in Corporate Finance from CESA. He has also academic training in Business Management from “Universidad de la Sabana” and Risk and Credit Management from “Universidad de los Andes”. He has 25 years of experience in the national and international financial sector, he was appointed as Director of retail risk and global risk management for South America in the BBVA Group in Spain. Then he had different responsibilities in the “Fundación Microfinanzas BBVA” position that he held until march of 2017, when he return to Colombia to be the Executive President of Bancamia S.A.

The Vice Presidency of Corporate & Government Banking will be led by **Sergio Andrés Lizarazo Lizarazo**

Economist from Universidad de Los Andes, with a Master in Administration from Universidad Ecesi and Master of Management Tulane University. With more than 10 years of experience in the financial sector where he has held positions as Account Manager at Corpbanca Bank; Relationship Manager at Citibank, Segment Leader at Scotiabank and in BBVA Colombia has held the position of the Director of Corporate Banking.
